February 27, 2009

An act to amend Section 101.9 of the Streets and Highways Code, relating to highways.

LEGISLATIVE COUNSEL'S DIGEST

SB 576, as introduced, Steinberg. Fire station signs.

Existing law requires the Department of Transportation to adopt rules and regulations to allow, in rural areas, the placement on interstate and primary highways near public exits, of guide signs indicating the existence, within $\frac{1}{2}$ mile of that exit, of a fire station that is open 24 hours each day of the year.

This bill would make a nonsubstantive change to these provisions.
